

2020 South Island and New Zealand Secondary Schools Clay Target Championships

Entry information and forms

Below are the entry forms for the SI & NZ Secondary School Championships.

Please ensure these are returned as soon as possible. **The close off for entries is 5pm Thursday 17 September. They should be emailed to nzcta@xtra.co.nz.**

All entry forms must be accompanied by the Declaration Form that is signed by the School Principal.

Entry fees must be paid into the NZCTA BNZ account 020 816 0018166-00. Please put the school name as a reference.

The only entry payments made to the club will be the \$14 per person for the Regional Teams event as team members are selected from their scores over the Island and National DTL events and cannot be predetermined.

A reminder that all shooters must have 3 entries in their handicap book prior to the event. This means they must have 3 DTL and 3 skeet entries if they are entering both.

Handicap books must be taken to the event and handed in at the shoot office.

Every effort will be made to ensure you are allocated to the venue you choose but this cannot be guaranteed as the number of competitors at each venue is limited to 70. Please think carefully about the number of supporters your competitors bring to the event. Gatherings are permitted to have a limit of 100 people – this includes the club officials.

Once your entry is accepted (with the Declaration and payment) you will receive an email confirming the entry and the venue.

Please note the following:

- All COVID restrictions applicable at the time will be enforced. If any member from your school is unwell, please do not attend.
- Ammunition will be able to be purchased from the host clubs.
- Please bring your own food and refreshments
